

6W Surface Mounted Adjustable Light

This compact surface-mounted fixture features an adjustable head for spotlighting in any direction, as well a textured bronze finish, to work in harmony with contemporary, traditional or rustic architectural details. It is perfect for mounting on walls, pillars, posts and beams, with the bronze finish working especially well with the dark timbers typically used in pergolas and gazebos.

FEATURES	SPECIFICATIONS
Housing: Die cast aluminum	LED Chip: 1W High Power Nichia LEDs
Finish: Architectural bronze	Number of LEDs: 5
Optics: High temperature Japanese Acrylic	Power Consumption: 5W
Wiring: Attached wiring compartment	Light Output: Equivalent to 35W Halogen
All directional mounting bracket	Beam Angle: 35°
	Light Color: Warm White
	Total Lumen Output: 475 Lumens
	Color Temperature: 2800-3000K
	Color Rendering Index: 85 CRI
	Life Span: 40,000 hours
	Input Voltage: 100-135V or 190-250VAC, 50/60 Hz
	LED Current: 175mA
	Operating Temperature: -40°C to +60°C
	IP Rating: 65
	Manufacturer Warranty: 3 years parts and labor
	Agency Approval: Intertek (ETL) listed for low voltage landscape lighting systems to UL1838 and CSA C22.2 standards
