

12W LED Spike Light

This nine LED accent light provides strong up lighting for tall planting, with the flexibility of spike mounting. A unique swivel design provides precise adjustment in all directions and optics are securely positioned and epoxy potted over the LEDs to provide a precise beam angle. The IP66 rating gives the fixture full resistance to irrigation water and rain, even when flooding occurs.

FEATURES

Fixture Material: Die cast aluminum

Glass: Clear glass

Finish: Textured architectural bronze

Aluminum mounting stem eliminates breakage

Optics: High temperature Japanese Acrylic

Mounting Accessories: 10" Polycarbonate in-ground stake
Optional Mounting Accessories: Surface mounting flange

Wiring: 60cm of SPT-1W, AWG # 18, 41/0.16mm wire
Overall diameter 2.7 x 5.4mm, black, 300V, 105 °C

SPECIFICATIONS

LED Chip: 1.2W High Power Nichia LEDs

Number of LEDs: 9

Power Consumption: 12W

Light Output: Equivalent to 75W Halogen

Beam Angle: Available in 35° or 60°

Light Color: Warm White

Total Lumen Output: 1026 Lumens

Color Temperature: 2800-3000K

Color Rendering Index: 85 CRI

Life Span: 40,000 hours

Input Voltage: 12VAC, 50/60 Hz or 12VDC

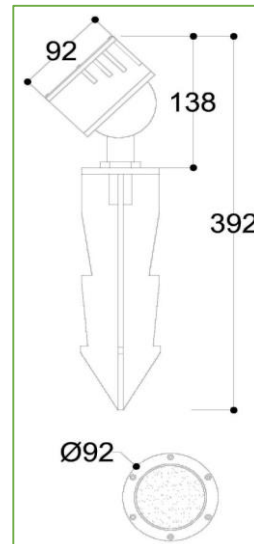

LED Current: 350mA

Operating Temperature: -40°C to +60°C

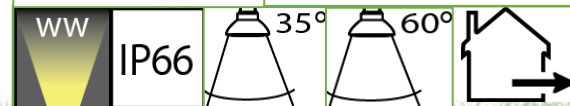

IP Rating: 66

Manufacturer Warranty: 3 years parts and labor

Agency Approval: Intertek (ETL) listed for low voltage landscape lighting systems to UL1838 and CSA C22.2 standards

* All dimensions in millimetres
