

4.5W Compact Recessed Up or Down Light

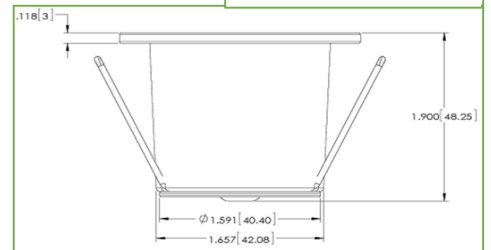

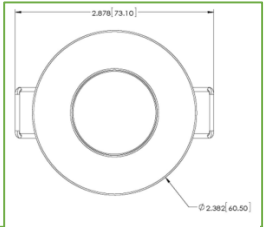

This recessed up or down light features a compact design and durable, marine-grade stainless steel construction. With a beautiful brushed stainless steel finish, this attractive fitting can be recessed into paths, patios, decks, and walls, as well as ceilings for interior applications.

FEATURES

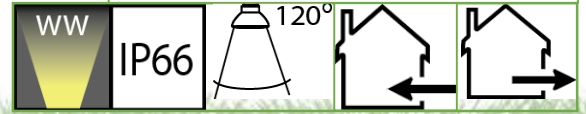

- Fixture Material:** 316 Stainless Steel
- Trim:** Grade 316 stainless steel unpolished
- Finish:** Brushed stainless steel
- Glass:** 4mm thick, double layers of tempered frosted glass that support 750 KG static load pressure
- Rough-in housing:** Standard 2" PVC pipe
- Wiring:** 1 meter cable with 2 x 0.75mm conductors
- Insulation thickness 0.6mm (Brown and blue)
- Overall diameter 6.4mm, black, 500V, 90 degree C

SPECIFICATIONS

- LED Chip:** 1.2W High Power Nichia LEDs
- Number of LEDs:** 3
- Power Consumption:** 4.5W
- Light Output:** Equivalent to 35W Halogen
- Beam Angle:** 120°
- Light Color:** Warm White
- Total Lumen Output:** 342 Lumens
- Color Temperature:** 2800-3000K
- Color Rendering Index:** 85 CRI
- Life Span:** 40,000 hours
- Input Voltage:** 12V or 220V
- LED Current:** 350mA
- Operating Temperature:** -40°C to +60°C
- IP Rating:** 66
- Manufacturer Warranty:** 3 years parts and labor
- Agency Approval:** Intertek (ETL) listed for low voltage landscape lighting systems to UL1838 and CSA C22.2 standards
